## Celtic Summer Pilgrimage

The Northern Saints associated with the north east of England & Scotland continue to inspire and encourage Christians into the 21st century. St Columba and the writings of the Venerable Bede, who tells of the lives of Aidan, Cuthbert, Hilda and Cedd – and all of their contemporaries – forms the backdrop to a remarkable week of journey and –

Our special holiday pilgrimage combines visits to the sites connected with the lives of the Saints, talks, services and also gives us time to relax and enjoy the particular hospitality of County Durham, Edinburgh and Oban.

### The Great Northern Saints

England's north has a great tradition of Saints, from the Venerable Bede, one of England's greatest scholars, to the Northern Martyrs of the 16th and 17th centuries. Saints associated with the north east include Aidan, Bede, Cuthbert, Hilda, Cedd, Chad, Oswald, Bega, Ninian and Oswin.

During our pilgrimage, we will visit places connected with these great Saints and other sites enriched with Celtic meaning and Christian history such as Durham, Holy Island, Whitby & Lastingham.
